Located in El Paso, the Gayle Greve Hunt School of Nursing is the newest addition to TTUHSC.

After being granted initial approval by the Texas Higher Education Coordinating Board and the Texas Board of Nursing, the school began admitting students in September 2011.

It is currently working to achieve voluntary professional accreditation through the American Association of Colleges of Nursing. The school offers online hybrid instruction to students who have met all prerequisites for its two tracks: (1) traditional BSN track, which is 16 consecutive months in length; and (2) second degree BSN track, which is 12 consecutive months.
